Re: Docket No. 160160-EI – Tampa Electric Company's Petition for Approval of
Energy Transaction Optimization Mechanism

Dear Ms. Stauffer:

At a December 13, 2016 meeting among interested parties in the above docket, Staff indicated its desire to conduct a generic workshop addressing incentives in early 2017. In view of Staff's preference it makes sense to defer consideration of Tampa Electric's proposal in this docket until after the results of the generic workshop are known.

Based on the foregoing, Tampa Electric requests that the CASR for this docket be revised to reflect that it will be further revised after the outcome of the proposed generic workshop.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
