19 Dec. 2016

Dear Sir,

I would like to comment on the proposed rate hike. 160186-EL.

I am on Social Security at a lower rate than most men that I know. The last raise that I received was one dollar per month. I know people that work for Gulf Power and their wage, I'm not complaining, in fact, good for them. But people on low or fixed incomes would like to be able to afford this service.

I'm including a copy of the envelope this notice came in. To most of us this would appear to be junk mail (no need to look).

Thank you for your attention.
