The final rates granted by the Commission were lower than those granted in interim rates and, as such, the Utility will be providing credits, with interest, to all customers so entitled. Those credits will be reviewed and approved by the Commission and will appear on customer bills within the next three months.

The rates shall be effective for service rendered as of the Commission's stamped approval date on the tariff sheets provided the customers have received notice. If the effective date of the new rates falls within a regular billing cycle, the initial bills at the new rate may be prorated. The old charges shall be prorated based on the number of days in the billing cycle before the effective date of the new rates. The new charges shall be prorated based on the number of days in the billing cycle on or after the effective date of the new rates. If you have any questions about your bill, please contact the utility at (877) 233-0101.
