COMMISSION CLERK

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (GPC) requests confidential classification of portions of information provided in response to Staff's Seventh Data Request for Production of Documents (PODs) Nos. 49, 50, 52, 59, and 60.

GPC's response to POD No. 50 contains information relating to competitive interests. If the data contained within the response was released it could impair the competitive business interests of the Utility, as well as place GPC at a disadvantage when negotiating with vendors on behalf of its customers. Staff reviewed GPC's request and recommends that the information requested in POD No. 50 meets the criteria for confidential classification pursuant to Section 366.093(3)(e) F.S.

GPC's response to POD No. 52 contains information relating to physical security measures concerning contractual data and information relating to competitive interests. Staff has reviewed GPC's request and recommends that the information requested in POD No. 52 meets the criteria for confidential classification pursuant to Section 366.093(3)(c),(d) and (e) F.S.

GPC's responses to POD Nos. 49, 59 and 60, contain information concerning contractual data and information relating to competitive interests. If the data contained in these responses were released, it may negatively impact GPC's ability to negotiate contracts on favorable terms as well as impair the competitive business of the Utility. Staff has reviewed GPC's request and recommends that the information requested in POD Nos. 49, 59 and 60, meets the criteria for confidential classification pursuant to Section 366.093(3)(d) and (e) F.S.

The above confidential material was filed with a request of confidential classification and a motion for temporary protective order. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
