COMMISSION CLERK

The above confidential material was filed with a request of confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

RE: GPC (Badders) - (CONFIDENTIAL) Certain documents and information produced in response to staff's 8th set of interrogatories (Nos. 327-336)

Pursuant to Section 367.156 of the Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (Gulf) requested confidential classification of certain highlighted information on Document No. 00073-17, which is Gulf's response to staff's 8th set of Interrogatories (Nos. 328).

Staff reviewed Gulf's confidential request and agrees Document No. 00073-17 contains information that is part of confidential tax return deductions taken by Gulf for 2015 related to bonus depreciation. Gulf does not disclose this information to the public. Although Gulf submits this information to the IRS, it does so confidentially, the disclosure of which would adversely impact Gulf's competitive business interest. In staff opinion, Gulf's request meets criteria for confidentiality set forth in section 367.156, Florida Statutes. Therefore, staff recommends that the request for confidentiality of certain information in the context in which it is presented in Document No. 00073-17 be approved.
