Subject: Gulf Power Outrageous Increased yearly rates

Hello,

My name is Brenda Killette, 8213 Chiquita Drive, Pensacola, Florida 32534. The docket number is 160186. The yearly rates that Gulf Power Company charge its customers are not only outrageous, but robbery. We have no choice but to pay. There are no other power companies to switch. My rates are just as high, even when power is not being used throughout the work week! During the summer months, payments are unbearable for working families! Can you possibly imagine the hardship for fixed income households like mine and others? Enough already!!
