Ms. Stauffer,

If this increase goes into effect, it will increase my bill by enough money that I will not be able to buy my monthly supply of Tramadol. Which is used for arthritis pain. We have done everything possible to lower our monthly bill by, spraying foam in our attic, buying a new a/c and heat pump system. We have had Gulf power come to our home and do an inspection and they found nothing more we can do. So please do not increase our power. I am certain there are other people in the same boat that I am in.

Thank you for your time.
