Subject: Planned increase by Gulf Power docket# 160186

To whom it may concern, Case docket# 160186

I ask that the PSC Board to deny the Gulf Power rate increase. We lived on a fixed income. We live on SS & Military Retirement Pay. The Federal Gov't did give us a small increase on SS but it was absorbed back to Medicare. Leaving us with a 0 increase on Cost of Living Allowance. \$122 per year is alot of money to me & my wife. Gulf Power does not need this increase. They reach into their profits to pay for any growth they want to do. That's my testimony. Please consider to deny this request. Thank you.
