Ms. Carlotta Stauffer

Commission Clerk

Public Service Commission

2540 Shumard Oak Blvd.

Tallahassee, FL 32399-0850

Dear Ms. Stauffer,

In light of the recent news that Gulf Power plans to seek permission to increase power rates by 7% annually – is disheartening.

We all understand that costs increase over time – but there has to be a logical increase that can be tied to the rate of inflation and such.

We urge you to please disallow such onerous rate increases as it effect all of ordinary people.

Best Regards
