CONSUMER COMMENTS
I do not think UIF should get any more increases unless they can show actual prove they are not making a profit. They provide no service for the increases they are asking for. Is there no stop to this milking of senior citizens by this company. The bills for my family of three averages over \$100 a month my bill for 1/20/17 is \$127.00 this is insane. I feel that this company should be sold to Pasco County so that our needs can be better represented and not be gouged by UIF. I ask that the FPSC reject UIF's request for an increase. Thank you Janet Zollo
