Subject: Gulf Power Rate Increase

I do not have transportation and therefore cannot attend the hearing so I am writing instead to plead my case.

Please do not allow Gulf Power Rate Increase. I am on a fixed income and received a total raise of \$3.00, yes three whole American Dollars per month in the last 2 years. My rent increased \$25 per month due to new fire department/tax collector Per Door policy and my apartment complex was not spared. The poor seem to be hit hardest by all of these increases and vilified just for being poor to begin with.

If power were a luxury item I could understand an increase, but it is not.

Thank you for your consideration.

Sincerely,

Jan M. Ruedisueli
