Subject: Gulf Power Rate Increase Proposal - Docket Number 160186

I am retired and on a fixed income. Congress has not approved a Cost of Living increase for Medicare payments in a number of years. Any increase in the Cost of Living is not offset by additional income. I am already monitoring my electric usage as it is in order to manage the monthly charge. This increase would make that even harder to do. I am requesting that the charge increase be denied.

Sincerely,

Madelyn Luedtke
