Subject: Rate increase for Gulf Power

To whom it may concern:

I am writing on behalf of the rate increase with Gulf Power. Please take into consideration that I am a 78 year old widow who lives with her special needs son. We barely get by now as it is and I have cut back on my electricity as much as I can. To increase my power bill would mean I would have to decide medicine or electricity. We did not get a raise in our social security checks in January either. I would appreciate you considering what this rate entails.

Sincerely,

Wilma Gunn
