Subject: Rate Increase

I am writing to you regarding the proposed utility increase. I am a senior citizen living on a fixed monthly social security check. This increase will greatly affect my ability to handle monthly medical prescription costs and food allowance. Please reconsider and maintain the current utility cost. There are many low income seniors in Pensacola, Florida, living on fixed social security of approximately \$750 per month and this increase greatly impact them too.

Concerned Florida Resident Senior,
Barbara Smith
