Dear Members of FL Public Service Commission and Staff

DO NOT APPROVE FLP RATE INCREASE OF 3+ PERCENT

It is your job to PROTECT the consumer, not be a rubber stamp for the power company.

- + A few years ago, you approved a rate increase for the proposed improvements/construction of nuclear plants at Pt St. Lucie and Turkey Point.
- + In 2016 you approved a rate increase of 5+ percent for general and specific purposes

Now the plaintiff is back at the bar begging for more. Their attitude is "stick it to the rate payers". NO NO NO.

If more is needed, then it is time that the shareholders bear some of the pain.

With Regards
