**Re: Docket No. 170018-SU - Application to transfer wastewater system and Certificate No. 137-S in Brevard County from Colony Waste Services, LLC to Merritt Island Utility Company, Inc.**

Dear Mr. Deremer:

Thank you for your prompt response to staff's January 25, 2017 letter reviewing your draft customer notice. After reviewing Merritt Island Utility Company, Inc.'s (MIU) amended draft customer notice, staff noted that MIU changed the title of the notice from the generic title required by the rule, to one that inserted the Utility's name in the title. Please change the title back to "NOTICE OF APPLICATION FOR AUTHORITY TO TRANSFER WASTEWATER CERTIFICATE OF AUTHORIZATION TO ANOTHER REGULATED UTILITY."

Additionally, Rule 25-30.030(4)(g), Florida Administrative Code, requires that, if applicable, the notice shall include a statement that the Utility is not requesting any changes to its rates, classifications, charges, rules, and regulations in the application. Please amend the notice to include, in the statement regarding rates, whether or not MIU is requesting changes to its classifications, charges, or rules and regulations.

Please make the changes noted above and submit the corrected notice to:
