CONSUMER COMMENTS
Thank you for reading my thoughts.
My name is Nate and I am 9 years old.
My parents pay Gulf power so I can have
hot meals in a lighted house with a warm
bed. We like to pick up trash when we
go down the river, and my dad figured
out how to make his company run
on solar panels. They're great, I'm happy,
but my parents aren't wealthy. please
don't allow fear or money to make the greedy
people at Gulf Power richer. please stand
with me in preventing them from hurting
kids less lucky than me.
