Subject: Do Not Increase Our Water Rates

Please, please, please! I implore you not to raise our water rates!!!! I have to work during the day so that I can afford to pay my water bill, otherwise I would be at the meeting on February 2nd. I am a long time resident of Longwood (Coventry subdivision). This is a low-middle income neighborhood and I can tell you that we cannot afford the rate hikes that are being requested by Utilities Inc. Please listen to the voice of the voters and residents of Seminole County and do not do this to us!

Sincerely,
Nancy Cook
