Subject: Docket 160186

I think it is ridiculous that Gulf Power is asking for a fixed charge of \$48.09. I am an elderly woman who lives in a nursing home, but still own and maintain a home in Pensacola. I have the power on in the house, but nothing but the refrigerator and outside lights (on a timer) has been on since October.

I should be paying minimum for my Gulf Power bill.

Thank you
