Subject: Docket 160186 - Gulf Power

Dear Ms Stauffer,

My name is Brenda Carlson. My address is 4957 Timber Ridge Dr, Pace, FL 32571, Santa Rosa County, Florida.

Gulf Power is trying to get a huge rate hike for customers approved. It would be a cost of over \$10 per month for homeowners and the fixed rate they always push would go way up as well. If approved, it would be the very highest compared to other Florida power companies . There is no need for them to do this. I am a senior citizen and my social security check never goes up anywhere near this amount to keep up with such a rate hike.

I humbly ask that you deny this request for such a rate hike after careful consideration .

Sincerely,

Brenda Carlson
