Reference docket # 160186-EI

Hi my name is Steven McMillan and I've been a Gulf Power customer for seven years. I live on the West Side of Pensacola. Living alone I try to keep my power bill as low as possible and it is still hard for me to make my payment. I hardly make enough to cover all my bills and if the prices were to rise any higher you can be sure I would not be able to pay it. I can't imagine that I'm the only one in this boat and urge to take these considerations seriously when you make your decisions.

Thanks  
SM
