**Subject:** Gulf Power Increase - PLEASE DO NOT INCREASE THIS MUCH!

We are 70 and 67 years old, we have retired after working from the age of 15 to retirement age. My husband is disabled. We do not receive increases in Social Security, which we paid into, nor our retirement account, where do you plan on us getting the additional money to pay for these increases? Cox Cable is trying to increase, everything and everyone is wanting increases. Learn to live within your means, review your budgets, cut lavish spending, our sons are not getting paycheck increases.

We have only high praise for Gulf Power services but this is entirely too much of an increase at one time.

Thank you for listening and hopefully considering and responding for the people,

Hal and Frankie Watkins
