Re: DOCKET # 160186

Dear Ms. Stauffer:

We humbly request that the Public Service Commission not grant Gulf Power's request to increase electric bills by 7% on July 1.

My wife and I are both retired. We both receive social security benefits. As you may be aware there have been no cost of living increases in SS benefits for the second year in a row. However, our monthly costs keep increasing.

A 7% increase in our monthly electric bill will be a hit on our expenses.

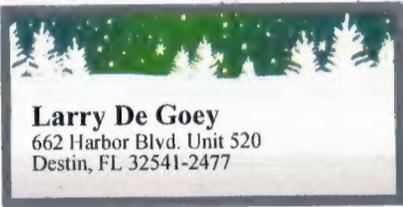

Please consider our request to deny Gulf Power's request for a rate increase.

Thank you,
Larry & Dolores DeGoey
