CONSUMER COMMENTS	
-	Another rate increase on the heels of the increase granted in 2016 is unfair.
-	Rate increases place undue financial stress upon persons with a restricted/limited income.
-	Cypress Lakes customers should not have to bear the cost of repairs & upgrades of other communities. The costs should be the burden of the company providing the service and reaping the financial gain from services provided.
-	No one should have to pay premium prices for water they cannot drink due to foul taste and residues in the water.
