Subject: DOCKET 106186\\Gulf Power Rate Increase Adverse Effects

Sir/Ma'am,

It has been brought to my attention that Gulf Power made a proposal to increase overall rates by approx. 10%! This is undeniably a burden on my family. If rates increase just 10 dollars a month, that subsequent 120 dollar annual loss will adversely affect the well-being of my family. Please strongly consider not accepting Gulf Power's petition, in the name of all of those who will be financial burdened by this change.

Thank you for your time and consideration.

Respectfully,

Lucas M. Huddleston
