Subject: From PSC/Balboa

Ms. Balboa:

Thank you for your recent correspondence to the Florida Public Service Commission (PSC) about Florida Power & Light Company's (FPL) recent rate case and subsequent filing about storm restoration costs related to Hurricane Matthew. I am attaching a link (*see below*) to the news release re: the PSC's recent decision concerning FPL's storm restoration costs; a hearing will be set in the future to consider whether the costs are reasonable and prudent.
