To Whom It May Concern,

I'm a resident of Pensacola Florida that has used Gulf Power since purchasing my home in 1999 address is 733 E. Johnson Ave.

My family has done its best to have energy efficient appliances, windows, etc. in an attempt to keep costs down; however, energy prices have continued to increase and are already a heavy burden on our budget.

Please do not allow for Gulf Power to increase this burden further; please.

Respectfully,
