Docket Number - 160186

Dear PSC,

I am writing this email in opposition of the current rate increase for Gulf Power that will be heard by this office March 20-24, 2017. We already have the highest rate in the state of Florida. This community is mostly of retired people and military families already living on fixed incomes and this rate increase will only take from the ones in most need.

Please do not approve this "Fixed" rate increase.

Thank you for your support

Raymond Perez
