BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Petition for rate increase by Gulf
Power Company.

Docket No. 160186-EI
Dated: February 27, 2017

**GULF POWER COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

Gulf Power Company ("Gulf Power," "Gulf," or the "Company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of certain documents and information produced in Response to Staff's Fifteenth Set of Interrogatories to Gulf Power Company (Nos. 558-594) (collectively "Staff's Discovery"). Confidential information submitted in response to Staff's Discovery has been segregated and placed in the enclosed envelope bearing the label "CONFIDENTIAL" ("Confidential Information"). This document should be treated as confidential in its entirety.

Description of the Document(s)

The Confidential Information consists of a document produced in response to Staff's Interrogatory number 586. These documents are identified with specificity on Exhibit "A" to this Request. In support of this request, the Company states:

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1), Florida Statutes [requiring disclosure under the Public Records Act]." Proprietary confidential business information includes, but is not limited to "[i]nformation concerning . . . contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms." Subsection 366.093(3)(d), Florida Statutes. Proprietary confidential business information also

includes “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Section 366.093(3)(e), Florida Statutes. The Confidential Information that is the subject of this request and motion falls within the statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

2. Attached hereto as Exhibit "A" is a justification for confidential treatment of the Confidential Information.

3. Attached hereto as Exhibit "B" are public versions of the Document(s) with the Confidential Information redacted, unless previously filed as indicated.

4. The Confidential Information is intended to be and is treated by Gulf Power as private and, to this attorney’s knowledge, has not been publicly disclosed.

5. For the same reasons set forth herein in support of its request for confidential classification, Gulf Power also moves the Commission for entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

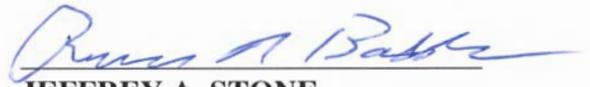

Requested Duration of Confidential Classification

6. Gulf Power requests that the Confidential Information be treated by the Commission as confidential proprietary business information for at least the 18 month period prescribed in Rule 25-22.006(9)(a), Florida Administrative Code. If, and to the extent that the Company is in need of confidential classification of the Confidential Information beyond the 18 month period set forth in the Commission rule, the justification and grounds for such extended confidential treatment are set forth in Exhibit "C" to this request and motion.

WHEREFORE, Gulf Power Company respectfully requests that the Confidential Information that is the subject of this request and motion be accorded confidential classification for the reasons set forth herein and for a minimum period of 18 months, subject to any request for a longer period of confidential classification as may be set forth in Exhibit "C" to this request and motion. The company further moves for the entry of a temporary protective order pursuant to Rule 25-22.006(6)(c), Florida Administrative Code, protecting the Confidential Information from public disclosure.

DATED this 24th day of February, 2017.

Respectfully submitted,
