Thank you Eric!

This email shall serve as request to remove "dba Dais Communications" from our Certificate of Authority (#TY-061). The Certificate of Authority should simply list "Dais Communications, LLC"

Please let me know if you need any additional information.

Hi Melissa,

In your original application in 2012, Dais Communications, LLC was listed as your name and Dais Communications was listed as a fictitious name, so that ended up on your certificate.

If that is an error, all you need to do is to send an email to me that says that you request that your name be changed to what it should be, and that request will authorize me to process the change to update your Certificate of Authority.

Thanks,

Eric
