Pursuant to Section 366.093 Florida Statutes (F.S), and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (GPC) requests confidential classification of certain highlighted information on Document No. 02876-17.

Staff has reviewed GPC's confidentiality request. GPC's response to Citizens' third request for production of documents, specifically Nos. 88, 90, 91 and 96, and third set of interrogatories, specifically, Nos. 80 and 81, contain certain financial information concerning its affiliates and proprietary confidential business information, the disclosure of which could harm the competitive interests of the company, or could impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. In staff's opinion, the request meets the criteria for confidentiality set forth in Section 366.093(3)(d) and (e), F.S. Therefore, staff recommends that GPC's request for confidential classification of certain highlighted information on Document No. 02876-17 be approved.
