Angela,

I just met with technical staff and it was decided that for:

- DN 03102-170 – Gulf’s response to OPC’s First Set of PODs, No. 44 - Staff does not need copies of the PDF attachments
- DN 02876-17 – Gulf’s Response to OPC’s Third Set of PODs, No. 90 & 96 – Staff does not need a copy of either response
- DN 01798-17 – Gulf’s Response to OPC’s Sixth Set of PODs, No. 129 – Staff does not need a copy of this response

Please accept this e-mail as a supplement/revision to the memo Tom and I sent last week. If you should need anything further, please let me know.

Thanks,  
Laura
