Re: Docket No. 130265-WU

Dear Mrs. Bruce:

Answers to Staff's Fourth Data Request:

- 1) Attachment #1
- 2) Possibly 10 with new construction. 48 homes within LGWU's service area have received an exemption until 2021
- 3) Attachment #3
- 4) Building will be complete within the next two weeks.
 - a. Not intended for any other use than Utility operations. If in the future, anything would arise, LGWU would first contact and request direction from the FPSC, along with Charlotte County Zoning and the FDEP.Meter replacement has been an ongoing process but computer software with remote read capabilities has been ordered and installation will start shortly after building is complete.
- 5) Attachment #5
- 6) Attachment #6

Sincerely and Have a BLESSED day!

Jack @ 941-626-8294
