On March 16, 2017, Duke Energy Florida, LLC (DEF) filed Document No. 03640-17, its private letter ruling request relating to the application of the depreciation normalization rules of Section 168(i)(9) of the Internal Revenue Code (Private Letter Ruling), and requested confidential treatment for the document. No other action has been requested of the Commission by DEF with regard to this document other than the issuance of a confidentiality order should the Commission determine that the document needs to be retained.

That being the case, please return the Private Letter Ruling to DEF at your earliest convenience.

Should you have any questions or need further information regarding this matter, please contact Suzanne Brownless at 413-6218.
