RE: Utilities, Inc.

Dear Ms. Snook and Mr. Krach:

With a background in public utilities, I share many of the concerns expressed in your letter of April 7, 2017. Of particular concern to me was the inconsistent rate structure and the insufficient notice to ratepayers.

Regretfully, the Polk County Board of County Commissioners has no jurisdiction over this matter. However, I will copy the Public Service Commission, Office of General Counsel to register my disappointment with the process.

Sincerely,

George Lindsey, III
County Commissioner, District One
