Subject: Notification of Unaccepted E-filing - (E-filing ID = 51057)

The document presented has been reviewed by the Office of Commission Clerk and found to be ineligible for e-filing because there is no identifying information (what is being filed; signature; cover page, etc.) on the first page. The identifying information needs to be indicated on the resubmitted filing itself, not in the on-line transmittal form. The transmittal form is equivalent to a facsimile transmittal and helps us to identify the document, if there is a problem, however, it is not part of the official record.

If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us.
