Dear Customer:

Please be informed on June 23, 2015, the Seminole County Government Board of County Commissioners approved an annual rate increase regarding the provision of water and sewer services to its customers. Effective October 1, 2016 a 3% increase will be reflected on your bill. This rate increase includes all Wholesale and Retail customers alike. The new Wholesale Water rate will be \$1.80 per 1,000 gallons and the new Wholesale Wastewater rate will be \$4.38 per 1,000 gallons. Reclaim Water rates will be increased to \$0.74 per 1,000 gallons. There will be NO increase in Connection Fee rates.
