To Whom It May Concern:

I received the attached fax numerous times, but pages were missing with each attempt and I would like to have all pages so I may forward to the appropriate staff. Could you please resend it to my email and also add my email to your distribution list for all future correspondence? I am unsure I will "automatically be served a copy of the document via U.S. mail", which is why I am emailing this entity. I've also gone on the Commission's website and could not find "Utility Regulation" stated on the fax.

Thank you,

Vanessa Castillo, MMC, City Clerk
