BCN Telecom, Inc. BCN Telecom, Inc. is a corporation incorporated under the laws of the State of New Jersey. BCN provides an array of traditional voice and data services, various types of Internet access services, as well as interconnected VoIP services, including SIP trunking and hosted PBX, to SMB and Enterprise level business customers. BCN also provides business customers with managed service solutions which includes the configuration, deployment and management of network hardware and software services. In addition, BCN provides wireless data solutions, such as wireless 4G LTE data services for IP access failover, site connectivity and mobility applications. BCN is certified to provide long distance and competitive local exchange carrier service throughout the United States. BCN has provided interexchange telecommunications services in Florida since 1997,⁴ and competitive local exchange telecommunications services in Florida since 2000.⁵

Description of the Transaction. On March 1, 2017, BCN and NBS entered into an Asset Purchase Agreement (“Agreement”) whereby BCN agreed to sell, and NBS agreed to acquire, a limited subset of BCN’s customer base primarily comprised of commercial subscribers. As a result of the transfer, NBS shall become the new service provider to the former select BCN customers. NBS will provide service to the transferred BCN customers at the same rates, terms and conditions provided by BCN under NBS assumed fictitious “doing business as” name of “Solex.”

Customer Notification. In accordance with the Federal Communications Commission’s (“FCC”) rules, BCN customers impacted by the transfer have been properly notified of the proposed transaction and the change in their telecommunications provider from BCN to Solex. Importantly, NBS provided the BCN customers with more than thirty (30) days advanced notice of the transfer pursuant to Section 64.1120(e) of the FCC’s rules, 47 C.F.R. §64.1120(e). A copy of the subscriber notification is attached.

NBS Service Initiation. NBS will initiate the provision of telecommunications and other services to former BCN subscriber accounts acquired under the Agreement in Florida following consummation of the Agreement and transfer of subscribers and other associated assets from BCN to NBS. The Transaction was consummated on June 1, 2017 or will be consummated pending regulatory approvals where required.

⁴ BCN originally authorized to provide long distance service under the name International Telephone Group, Inc., Company Code TI597.

⁵ BCN originally authorized to provide local service under the name International Telephone Group, Inc., Company Code TX400.

Notice of Carrier Change

April 20, 2017

Dear Valued BCN Telecom, Inc. Customer:

We are pleased to jointly announce that BCN Telecom, Inc. ("BCN") and Network Billing Systems, LLC ("NBS") have entered into a transaction and also wanted to clarify some points that may have been misinterpreted or caused confusion in connection with the insert in last month's bill. First, BCN is not changing its name or its brand and will continue to provide services to its other customers who are not part of this transaction under its own name, BCN Telecom. Second, in March, NBS entered into an agreement with BCN to acquire certain assets and accounts of BCN that have historically been supported by Technology Opportunity Group, LLC dba "BCN Solutions Express" and "Solutions Express" (an independent sales agent for BCN). The transaction is subject to applicable regulatory approvals following which your services will be provided under NBS's registered trade name "Solex" (as authorized), honoring all of your current contract terms with BCN.

Please rest assured that the transaction will not affect the services you currently receive from BCN. You will continue to receive your services with the same rates, features, terms, and conditions as you currently enjoy, while also gaining access to a full range of additional Solex telecommunications services.

Solex will automatically become your telecommunications provider upon final close and regulatory approval on or after June 1, 2017. This change will be completely seamless for you and you do not need to do anything in order for this to occur. Solex will take care of all the details and will be responsible for any change fees associated with transferring your account. However, it is important that you be aware of the following information. You are responsible for continued payment of your monthly recurring and usage charges throughout this period. Unless you have made arrangements on your own to switch your provider prior to the date that your services transfer to Solex, your account will be automatically transferred and your services contract assigned to Solex.

All preferred carrier freezes you may have had with BCN will be lifted for purposes of completing the transfer of your services to Solex and will then be reinstated by Solex. In the event you currently receive local services from an alternative provider other than BCN, you will need to contact your existing or new local service provider to reinstate your preferred carrier freeze. In addition any deposits or prepayments you may have paid to BCN will be transferred along with your account to Solex. Subject to the terms of your current contract, you have the option to select another provider. We value your business and we hope that Solex may continue to serve you. If you should choose another provider you will need to contact that carrier directly to arrange for that change prior to the transfer of your service to Solex. Please note it can take several weeks for a new carrier to make the switch and you may also incur service initiation fees from that provider such as service order, installations, and other similar charges associated with establishing a new service account.

In the event there are any changes to your services following the transaction they will be made in compliance with your contract, service terms and applicable federal and state regulatory requirements. Solex will be responsible for handling complaints filed, or otherwise raised, prior to or during the transfer of service process, along with all service and repair issues, or concerns related to your service.

Our mission is to continue to provide superior products and services to our customers. We want to thank you for your continued support. Welcome to Solex! We look forward to meeting all your long distance communication needs. If you have any questions or concerns regarding your service or this transaction you can contact Solex customer service at 800-585-6687.

Sincerely,

The Management Teams
