Re: Confirmation of Adjustments  
Docket Number 150149-WS  
Order No. PSC-16-0370-PAA-WS

Dear Mr. Vogel:

Please accept this letter confirming the adjustments requested in the order referenced above have been made. Also note the adjustment requested for the Utility Plant in Service (UPIS) associated with Muse Village was on our books at an acquired value of \$23,430, therefore the decrease was in the amount on our books as opposed to the requested \$57,525. The request has been accomplished in that the current value of the asset on our books related to the rate justification is zero.

Sincerely,
