Re: Docket No. 160219-SU  
Wastewater Application for Sunny Shores Water Co.,  
3827 116th Street W., Bradenton, Manatee County, Florida 34210-1139.

Dear Clerk:

This firm represents Sunny Shores Water Co. (“Sunny Shores”) in connection with its Application for Original Certificate of Authorization for Existing Utility Currently Charging for Water and Wastewater Service (“Application”) pursuant to Rule 25-30.034, Florida Administrative Code, which is currently pending under Docket Number 160219-SU.

This letter shall constitute Sunny Shores’ notice that it hereby withdraws its Application, as Manatee County has taken over wastewater billing for Sunny Shores’ customers. Upon review of the applicable statutes and administrative code, it does not appear that there is any mechanism requiring the PSC to refund an application fee when an application is withdrawn. Due to the hardship imposed by the Application, Sunny Shores respectfully requests that the PSC consider refunding it this fee.

Should you have any questions regarding anything addressed in this letter, please do not hesitate to contact me.

Thank you.

Very truly yours,

Meghan O. Serrano
