Important Notice Regarding the Planned Discontinuance of Certain Traditional Voice Services Provided by Level 3 Telecom of Florida, LP ("Level 3")

Dear Customer,

This letter serves as formal notice that certain voice services provided by Level 3 to your company and throughout the Maitland, Florida metropolitan area by Level 3 Telecom of Florida, LP will be discontinued on or after October 2, 2017, provided that Level 3 receives the approval of the Federal Communications Commission ("FCC").

You are receiving this notice because you currently subscribe to one or more of the following Level 3 services, which, subject to the approval of the FCC, will be discontinued as a result of the planned decommission of a Level 3 voice switch.

- **Analog PBX Trunk Service** provides a voice-grade telephonic communications channel that can be used to place or receive one call at a time.
- **Business Line Service** provides voice-grade telephonic communications channels that can be used to place or receive one call at a time.
- **Business Terminals Service** provides a physical appearance in the switch and is assigned to a unique channel.
- **Channel 12 Service** is a bundled service consisting of local exchange service with select features.
- **Complete Dynamic Service** is a bundled service consisting of local exchange service with select features.
- **Complete Lines/Trunks Service** provides voice-grade telephonic communications channels that can be used to place or receive one call at a time.
- **Exchange Access Service** provides voice-grade telephonic connections to the public switched telecommunications network.
- **PBX Digital Trunk Service** provides a DS1 connection between customer-provided PBX equipment or trunk-capable key systems and the Level 3 switch.
- **Primary Rate ISDN (PRI) Service** allows a connection between ISDN Customer Premises Equipment and Level 3 switching equipment using a Primary Rate Interface over a digital transport facility.
- **VersiPak IPRI Service** is an integrated, packet-based access solution designed to deliver PRI and Internet services over a single DS1.

- **VersiPak Lines and Trunks Service** is the voice portion of an integrated, multi-service, packet-based access service that delivers voice and data services over a single DS1.
- **VersiPak Mach2 Service and VersiPak Mach3 Service** consist of integrated voice and Internet bandwidth.
- **VersiPak Packages, VersiPak Flex® T Service and VersiPak Power® T Service** are bundled services consisting of local exchange service with select features.

In order to maintain continuous service at your location following the proposed discontinuance, Level 3 would like to work with you to migrate your existing service to our next-generation, state-of-the-art platform that will provide your business with greater flexibility, simplicity, and efficiency. Please contact me as soon as possible to ensure a seamless and uninterrupted transition of your voice service.

If you have not made arrangements with Level 3 or another telecommunications service provider to replace your voice service listed above prior to October 2, 2017, please be advised that your service will be disconnected on or after October 2, 2017, provided that the FCC approves the planned discontinuance.

We understand that this is an inconvenience, and we are confident that our team can seamlessly manage the entire process to provide your business with a better communications solution.

If you also subscribe to other services from Level 3, those services will NOT be impacted by the anticipated discontinuance of the affected services. Your other services will remain in place with no change to the applicable rates, terms, or conditions.

We would like to work with you immediately to update your service and continue our valued relationship, so please contact me as soon as possible to discuss our migration plan.

Regards,

Level 3 Communications

Level 3 Telecom of Florida, LP is required by the FCC to provide the following statement:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Level 3 Telecom of Florida, LP. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
