Subject: Utilities, Inc. Florida Docket No. 20160101 rate increase request

Please do NOT approve this proposed rate increase! If this new consolidated rate increase recommended by Staff is approved, Seminole County residents will have the burden of paying \$3,858,438 million of the \$5,512,904 rate increase. That means, out of the 16 systems in Utilities, Inc. portfolio, **Seminole County's 3 systems would be paying 70% of the increase!** Therefore, we would be subsidizing the other systems in the State. Florida law requires a rate must be reasonable and not unfairly discriminatory; this proposed increase is clearly unreasonable and highly discriminatory!

Thank you,
Crystal Mullet
