Utilities, Inc. Florida Docket No. 20160101 rate increase request.

To the FL Public Service Commission,

Your rate increase request of Utilities, Inc. Florida Docket No. 20160101 is totally unfair due to certain areas within Seminole County increasing up to +200% higher than the current rate. It is not right for 17 different systems to have a consolidated rate when there are so many different factors. Please reconsider Staff's recommendation. A 200% increase is outrageous, and should be stopped before it starts!

Sincerely,
Kari King
