**Subject:** Utilities, Inc. Florida Docket No. 20160101 rate increase request.

To Whom It May Concern:

I live in Seminole County, FL and feel that this rate increase request by Utilities, Inc, IF approved would be unduly burdening the citizens of Seminole County, FL.

My desire is to record my request for a denial of this increase from Utilities, Inc. IF approved this will unfairly strap 70% of the potentially approved 80% increase on the residents in one county, my county, Seminole County, FL.

This is not only unfair for all concerned who will be potentially affected by the rate increase by Utilities, Inc, it is makes me wonder how the statute requiring a reasonable and not unfairly discriminatory amount to be placed upon the citizens in Seminole County, FL.

Please consider my request to deny this approval of the rate increase request by Utilities, Inc., Additionally, please also reconsider the way in which the amounts, if approved, would be distributed throughout the affected areas. It is NOT fair NOR reasonable, nor lacking discrimination when one area would be shouldering 70% of the 80%

increase that is being considered at this juncture.....this is not right.

Thank you,

Michael Radvak
