Subject: Utilities, inc Florida Docket No. 20160101 Rate Increase Request

Please do not let this rate increase pass. It is unfairly charged to Seminole County residents who have no other options. It appears to be an unreasonable increased cost that would impose a financial hardship to their customers, especially to those with low or fixed incomes. Seminole County should truly be fighting this increase as people will not buy homes or bring businesses to the area because of high utility costs & taxes.

We are hoping we are heard along with the many others who oppose this increase. Thank you.

Sincerely,

Richard & Donna Molter
