Subject: Update to contact information Docket No. 20170159-TC

I received a fax transmittal today for the following docket: Docket No. 20170159-TC

The transmittal indicated that my email address of record is unavailable.. I'm not sure why that is as I have received numerous emails from FL Staff on various cases in the past. However, just to make sure the Commission Directory is updated please verify that my email address is listed in there:

Thank you.
