RE: Kincaid Hills Water Company – Noncompliance with Sections 350.113, 350.117, 367.121, and 367.145, Florida Statutes, and Rules 25-30.110, 25-30.120, 25-30.355, and 25-22.032, Florida Administrative Code, and possible implementation of show cause proceedings against Kincaid Hills Water Company, pursuant to Section 367.161, Florida Statutes.

Dear Sirs:

A review of Commission records indicates that Kincaid Hills Water Company (Kincaid) is not in compliance with several Commission-related statutes and rules. If a utility fails to comply with Commission statutes, rules, or orders, Section 367.161, Florida Statutes (F.S.), authorizes the Commission to take enforcement action, including the collection of penalties. Section 367.161, F.S., provides:

- (1) If any utility, by any authorized officer, agent, or employee, knowingly refuses to comply with, or willfully violates, any provision of this chapter or any lawful rule or order of the commission, such utility shall incur a penalty for each such offense of not more than \$5,000, to be fixed, imposed, and collected by the commission. . . . Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the utility, enforceable by the commission as statutory liens under chapter 85.

- (2) The commission has the power to impose upon any entity that is subject to its jurisdiction under this chapter and that is found to have refused to comply with, or to have willfully violated, any lawful rule or order of the commission or any provision of this chapter a penalty for each offense of not more than \$5,000, which penalty shall be fixed, imposed, and collected by the commission; or the commission may, for any such violation, amend, suspend, or revoke any certificate of authorization issued by it. Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the entity, enforceable by the commission as a statutory lien under chapter 85.

As required by Section 120.695(2)(a), F.S., Kincaid's noncompliance with Commission statutes, rules, and orders is outlined below.

A. Regulatory Assessment Fees

Legal Authority

Pursuant to Sections 350.113 and 367.145, F.S., and Rule 25-30.120, Florida Administrative Code (F.A.C.), each regulated company under the jurisdiction of the Commission shall pay to the Commission a regulatory assessment fee (RAF) based upon the gross operating revenues for the prior year operating period. Rule 25-30.120, F.A.C., requires that utilities pay a regulatory assessment fee of four and a half percent (4.5%) of its gross revenues derived from intrastate business, or a minimum of \$25.00 if there are no revenues or if revenues are insufficient to generate above the \$25.00 minimum. Section 350.113(4), F.S., provides for a penalty of five percent (5%) for the first 30 days, and an additional penalty of "5 percent for each additional 30 days or fraction thereof during the time in which the failure continues, not to exceed a total penalty of 25 percent," and states that "the commission shall collect the fee and penalty, plus interest and all costs of collection, from the regulated company." Further, Rule 25-30.120(7)(b), F.A.C., provides that, in addition to statutory penalties and interest, the Commission may impose an additional penalty upon a utility for failing to pay RAFs timely, pursuant to Section 367.161, F.S.

Facts

Commission records indicate that Kincaid failed to submit RAFs for the years 2008, 2009, 2012, 2013, and 2016.¹ Kincaid has a long history of failing to submit RAFs, and has had two enforcement proceedings brought by the Commission in 2004 and 2007 for failing to submit RAFs.² In fact, since coming under the Commission's jurisdiction in 1993, Kincaid has only

¹ Kincaid submitted its 2010 and 2011 RAFs, plus penalty and interest, on November 14, 2014, as part of on-going compliance/settlement negotiations with Commission staff.

² Docket No. 040248-WU, *In Re: Initiation of show cause proceedings against Kincaid Hills Water Company in Alachua County for violation of Rule 25-30.110, F.A.C., Records and Reports; Annual Reports, and Rule 25-30.120, F.A.C., Regulatory Assessment Fees; Water and Wastewater Utilities*; and Docket No. 070580-WU, *In Re: Initiation of Show Cause Proceedings against Kincaid Hills Water Company in Alachua County for violation of Rule 25-30.110, F.A.C., Records and Reports; Annual Reports; Rule 25-30.120, F.A.C., Regulatory Assessment Fees; Water and Wastewater Utilities; and of Order PSC-04-0615-FOF-WU*.

submitted RAFs timely two times (2014 and 2015).³ Despite the numerous attempts by the Commission and staff over the last 13 years to work with Kincaid to resolve its RAF compliance issues, Kincaid has repeatedly failed to comply with its statutory and regulatory obligations.

In 2004, after failing to submit RAFs for the years 1995 through 2003, the Commission initiated an enforcement proceeding against Kincaid for violations of Section 350.113, F.S., and Rule 25-30.120, F.A.C., (2004 Proceeding).⁴ In an effort to work with Kincaid to resolve its non-compliance issues, the Commission declined to show cause or assess fines against Kincaid for failing to submit RAFs.⁵ Instead, the Commission approved a payment plan submitted by Kincaid to pay the RAFs, plus statutory penalty and interest, that it owed for the years 1995 to 2003.⁶ In addition, Kincaid was put on notice that failure to timely submit RAFs in the future or comply with any Commission Orders, would result in further enforcement action by the Commission.

Kincaid again failed to submit RAFs the year after the 2004 Proceeding, as well as the following two years. Kincaid made several payments toward the RAF amounts owed pursuant to the payment plan approved by Order No. PSC-04-0615-FOF-WU between June 2004 and January 2006, then ceased submitting payments.⁷ After failing to submit RAFs for 2004, 2005, and 2006, failing to submit payments pursuant to the approved payment plan, and failing to respond to staff's attempts to collect the amounts owed, the Commission initiated another enforcement proceeding against Kincaid in 2007 for violations of Section 350.113, F.S., Rule 25-30.120, F.A.C., and Order No. PSC-04-0615-FOF-WU (2007 Proceeding).⁸

At the time the Commission initiated the 2007 Proceeding, Kincaid had serious compliance issues with the Florida Department of Environmental Protection (DEP), as well as the United States Environmental Protection Agency (EPA). Despite finding "a continued pattern of disregard for the directions, orders, and rules of this Commission," and "for the timely payment of RAFs," the Commission again declined to show cause Kincaid, finding "exigent and mitigating circumstances" existed.⁹ At that time, the Commission reasoned that assessing additional penalties and requiring Kincaid to pay its delinquent RAFs would only further impair Kincaid's financial viability and its ability to address the DEP and EPA compliance issues.¹⁰ Therefore, the Commission ordered that the outstanding RAFs amounts, including penalty and interest, owed by Kincaid for the years 1995 through 2006, be submitted to the Florida Department of Financial Services (DFS) to be written-off as

³ Kincaid submitted its 2007 RAFs three days late and paid the associated penalty and interest.

⁵ Order No. PSC-04-0615-FOF-WU, issued June 21, 2004, in Docket No. 040248-WU.

⁶ The Commission found the total amount of delinquent RAFs, penalty and interest, owed by Kincaid for years 1995-2003, to be \$29,231.42. Order No. PSC-04-0615-FOF-WU.

⁷ Between June 2004 and January 2006, Kincaid submitted \$12,000.00 of the total \$29,231.42 owed. \$10,903.86 was applied to past due RAF principals and \$1,096.14 to penalty and interest, which paid the entire RAF principal amounts owed for the years 1995 through 1999, and \$1,410.92 of the \$1,808.33 RAF principal owed for the year 2000.

“uncollectible.”¹¹ In addition, the Commission found Kincaid eligible for a Staff-Assisted Rate Case (SARC). Finally, the Commission ordered that the 2007 Proceeding remain open until Kincaid filed its SARC application, and that staff was to bring a recommendation to the Commission should Kincaid fail to timely submit RAFs during the pendency of its SARC.¹²

In April 2008, Kincaid notified Commission staff that it would not pursue a SARC due to customer dissatisfaction expressed after Kincaid implemented recent rate increases.¹³ Between June 2007 and April 2008, Kincaid received two price-index increases, and a 4.5% pass-through increase, which would allow Kincaid to recover RAFs in its rates going forward. With the recent increases, Kincaid stated it could meet its obligations to pay RAFs and maintain Kincaid without a SARC.¹⁴ By Order No. PSC-08-0386-FOF-WU, the Commission ordered the 2007 Proceeding closed based on Kincaid submitting its 2007 RAFs¹⁵ and receiving the index and pass-through increases.¹⁶

The year following the closure of the 2007 Proceeding, Kincaid again failed to submit its RAFs for 2008, as well as for the years 2009, 2010, 2011, 2012, and 2013. Kincaid also failed to respond to staff’s repeated attempts to contact Kincaid by telephone, mail, and email. (*Exhibit A – Commission Staff Correspondence re: Kincaid Delinquent RAFs and Annual Reports.*) In June 2014, Kincaid’s owner, Mr. Berdell Knowles, Sr., finally responded to staff regarding Kincaid’s outstanding RAFs and payment options. Mr. Knowles, Sr. agreed to submit Kincaid’s outstanding annual reports and RAF returns, along with an initial RAF payment by June 30, 2014.¹⁷ In addition, Mr. Knowles, Sr. was advised that the Commission would pursue further compliance action if Kincaid did not comply with a RAF payment plan.¹⁸ Mr. Knowles, Sr. failed to submit Kincaid’s 2008-2013 RAF returns or an initial RAF payment by June 30, 2014, as agreed and, again, failed to respond to staff’s attempts to contact Kincaid.

Due to staff’s continued inability to contact Mr. Knowles, Sr., staff contacted the DEP attorney assigned to Kincaid’s compliance issues in October 2014, and obtained the contact information for Berdell Knowles, Jr., a corporate officer of Kincaid. (*Exhibit B – Kincaid Florida Corporate Information.*) On October 20, 2014, staff counsel spoke with Mr. Knowles, Jr. regarding Kincaid’s delinquent RAF and annual report status, the lack of cooperation by Mr. Knowles, Sr. to engage in discussions with staff, and Kincaid’s current corporate and financial status. On October 23, 2014, staff held a conference call with Mr. Knowles, Jr., wherein Mr. Knowles, Jr. agreed to an initial compliance action plan to resolve Kincaid’s compliance issues. (*Exhibit C – Commission Staff Correspondence re: Kincaid Compliance Plan.*) Mr. Knowles, Jr. agreed to submit all of Kincaid’s delinquent annual reports for years 2009-2013, as well as the RAF amounts owed for the years 2010 and 2011, plus penalty and interest, by November 7,

¹⁵ Kincaid submitted its 2007 RAFs three days late and, thus assessed an additional \$139.05, for statutory penalty and interest that accrued. Kincaid submitted the \$139.05 penalty on May 1, 2008.

2014.¹⁹ As part of the initial compliance plan, Kincaid also agreed to continue working with staff regarding payment of the remaining RAF amounts owed, to consider pursuing a SARC, and to submit future RAFs timely.²⁰

On November 14, 2014, the Commission received Kincaid's payment in the amount of \$8,690.15, which satisfied the outstanding RAF amounts owed by Kincaid for 2010 and 2011.²¹ On February 16, 2015, staff held a conference call with Kincaid (included both Mr. Knowles, Sr. and Mr. Knowles, Jr.), wherein Kincaid agreed to resolve its compliance issues, including continuing to negotiate payment options for its past due RAFs, to submit future RAFs and annual reports timely, to pursue a SARC, and to update its corporate status with the Florida Secretary of State.²² Since submitting the \$8,690.15 payment, however, Kincaid has failed to meet the requirements of the initial compliance plan as agreed. Specifically, Kincaid has failed: (1) to submit additional payments toward its remaining years of delinquent RAFs; (2) to continue to work with staff regarding repayment of its remain years of delinquent RAFs; (3) to update its corporate status with the Florida Secretary of State Division of Corporations; (4) to apply for a SARC; and (5) to submit its 2016 RAFs.²³ Because Kincaid failed to submit its 2008, 2009, 2012, 2013, and 2016 RAFs timely, statutory penalties and interest are also due.

The total amount owed by Kincaid for 2008, 2009, 2012, 2013, and 2016 RAFs, plus associated penalties and interest, calculated through August 31, 2017, is **\$22,139.39**. A breakdown of the amount is shown in the table below.

Corrective Action Required

Payment in the amount of \$22,139.39 for the RAFs, penalties and interest, owed by Kincaid for the years 2008, 2009, 2012, 2013, and 2016, is due immediately. If payment is not received in full by August 31, 2017, Commission staff will open an enforcement docket to initiate a show cause proceeding against Kincaid. Should Kincaid ultimately be found in violation of Commission statutes, rules, or orders, the Commission may impose fines of up to \$5,000 per violation, for each day the violation continues, including levying a statutory lien upon the real and personal property of the Utility, or the Commission may amend, suspend, or revoke Kincaid's certificate, pursuant to Section 367.161, F.S.

B. Annual Reports

Legal Authority

Section 367.121(1)(c) and (i), F.S., authorizes the Commission to require utilities subject to its jurisdiction to file such regular financial reports it deems necessary. Rule 25-30.110(3)(a), F.A.C., provides that each utility under the jurisdiction of the Commission shall file an annual report on or before March 31st, for the preceding year ending December 31. The standard penalty for delinquent annual reports is \$3 per day, pursuant to Rule 25-30.110(7), F.A.C.

Facts

A review of Commission records indicates that Kincaid has repeatedly failed to submit its annual reports. Since coming under Commission jurisdiction in 1993, Kincaid has only submitted five annual reports on time (1997, 2007, 2014, 2015, 2016).²⁵ After failing to submit its annual reports for 1994 through 1996, an enforcement proceeding was initiated against Kincaid for violations of Rule 30.110, F.A.C. (1997 Proceeding), and Kincaid was ordered to show cause why it should not be penalized \$2,628 for failing to submit its annual reports.²⁶ Kincaid failed to respond to the Commission's Order, resulting in the annual report penalties being assessed by the Commission.²⁷ After several failed attempts by Commission staff to contact Kincaid to collect the annual report penalty, the Commission submitted the penalty to the Department of Financial Services to be written-off as "uncollectable."²⁸

Following the 1997 Proceeding, Kincaid timely submitted its 1997 annual report. Between 1998 and 2003, however, Kincaid again failed to submit its annual reports. Therefore, another enforcement proceeding was brought against Kincaid in 2004 for failing to submit Annual Reports for the years 1998 through 2003, pursuant to Rule 25-30.110, F.A.C. (2004

²⁵ Kincaid's 2008 annual report was received 22 days late, on April 22, 2009.

²⁶ Order No. PSC-98-0737-SC-WU, issued on May 28, 1998, in Docket No. 971623-WU, *In Re: Initiation of show cause proceedings against Kincaid Hills Water Company in Alachua County for violation of Rule 25-30.110(3), F.A.C., Records and Reports; Annual Reports.*

Proceeding).²⁹ Because Kincaid made an effort to cooperate with Commission staff and submitted all of the delinquent annual reports for 1998-2003, the Commission declined to show cause or assess Kincaid annual report penalties pursuant to Rule 25-30.110, F.A.C.³⁰ Kincaid was put on notice, however, that failure to timely submit annual reports in the future or comply with Commission orders, would result in further enforcement action by the Commission.

The year after the 2004 Proceeding, Kincaid again failed to submit its annual report. After failing to submit annual reports for the years 2004 through 2006, the Commission initiated a third enforcement proceeding against Kincaid for violations of Rule 25-30.110, F.A.C. (2007 Proceeding).³¹ As stated above, Kincaid had serious compliance issues with DEP and the EPA at the time of the 2007 Proceeding. The Commission again declined to show cause Kincaid and to assess the annual report penalties, finding the DEP and EPA compliance issues, Kincaid's financial status to be mitigating circumstances.³² The Commission reasoned that assessing annual report penalties would only further impair Kincaid's financial viability and its ability to address its compliance issues with DEP and the EPA.³³ Kincaid was put on notice, however, that "failure to timely file future annual reports will subject it to the penalties authorized by Rule 25-30.110(7), F.A.C., and to show cause proceedings and fines of up to \$5,000 per day per violation for each day the violation continues, as set forth in Section 367.161, F.S., or revocation proceedings pursuant to Section 367.161(2), F.S."³⁴

Kincaid again failed to submit its annual reports for the years 2009, 2010, 2011, 2012, and 2013.³⁵ Kincaid also failed to respond to staff's repeated attempts to contact Kincaid. In June 2014, Kincaid owner, Mr. Knowles, Sr., finally responded to staff regarding its outstanding annual reports and RAFs. (*Exhibit A – Commission Staff Correspondence re: Kincaid Delinquent RAFs and Annual Reports.*) Mr. Knowles, Sr. agreed to submit Kincaid's outstanding annual reports and RAF returns, along with an initial RAF payment by June 30, 2014.³⁶ Mr. Knowles, Sr. did not submit Kincaid's 2009-2013 annual reports by June 30, 2014, as agreed and, again, failed to respond to staff's attempts to contact Kincaid.

³⁵ Kincaid's 2008 annual report was received 22 days late, on April 22, 2009.

³⁶ See, *Exhibit A* (Staff Email, dated June 17, 2014, RE: Kincaid Hills Water Company WU690 – First Collections Delinquent RAFs.)

Due to staff's continued inability to contact Mr. Knowles, Sr., staff contacted the DEP attorney assigned to Kincaid's compliance issues in October 2014, and obtained the contact information for Berdell Knowles, Jr., a Kincaid corporate officer. (*Exhibit B – Kincaid Florida Corporate Information.*) On October 20, 2014, staff counsel spoke with Mr. Knowles, Jr., regarding Kincaid's delinquent RAF and annual report status, the lack of cooperation by Mr. Knowles, Sr. to engage in discussions with staff, and Kincaid's current financial status. On October 23, 2014, staff held a conference call with Mr. Knowles, Jr., wherein Mr. Knowles, Jr. agreed to an initial compliance action plan to resolve Kincaid's compliance. (*Exhibit C – Commission Staff Correspondence re: Kincaid Compliance Plan.*) As part of the initial compliance plan, Mr. Knowles, Jr. agreed to submit all of Kincaid's delinquent annual reports for years 2009-2013, as well as to continue working with staff regarding payment of the remaining RAF amounts owed, to pursuing a SARC, and to submitting future annual reports timely.³⁷

On November 20, 2014, the Commission received Kincaid's annual reports for 2009-2013.³⁸ On February 16, 2015, staff held a conference call with Kincaid (included both Mr. Knowles, Sr. and Mr. Knowles, Jr.), wherein the Kincaid agreed to work to resolve its compliance issues, including continuing to negotiate payment options for its past due RAFs, to submit future annual reports and RAFs timely, to pursue a SARC, and to update its corporate status with the Florida Secretary of State.³⁹ Although Kincaid submitted its 2014, 2015, and 2016, annual reports timely, Kincaid has failed to meet the other requirements of the initial compliance plan.⁴⁰

Therefore, the total penalty amount owed by Kincaid for failing to timely submit its annual reports for the years 2009 to 2013 is \$14,457.00. A breakdown of the amount is show in the table below.

YEAR	DATE DUE	DATE SUBMITTED	DAYS LATE (as of 11/20/14)	PENALTY (\$3 per day)

Corrective Action Required

Payment in the amount of \$14,457.00 for the annual report penalties owed by Kincaid for the years 2009, 2010, 2011, 2012, and 2013, is due immediately. If payment in full is not received by August 31, 2017, Commission staff will open an enforcement docket to initiate a show cause proceeding against Kincaid. Should Kincaid be ultimately found in violation of Commission statutes, rules, or orders, the Commission may impose fines of up to \$5,000 per violation, for each day the violation continues, including levying a statutory lien upon the real and personal property of the Utility, or the Commission may amend, suspend, or revoke Kincaid's certificate, pursuant to Section 367.161, F.S.

C. Customer Complaints

Legal Authority

Rule 25-30.330, F.A.C., requires that a utility provide its customers, at least an annual basis, with its telephone numbers for regular and after hours, as well as other information and assistance, when requested by the customer, as reasonably may be necessary to ensure that the customer receives safe, efficient service. Rule 25-30.355, F.A.C., requires that a utility make a full and prompt acknowledgment and investigation of all customer complaints and respond fully and promptly to all customer requests. Finally, Rule 25-22.032(6)(b), F.A.C., requires that a utility respond to a customer complaint received by the Commission by contacting the customer within 15 working days after receiving the complaint from Commission staff and provide a written response to the complaint to Commission staff.

Facts

A review of Commission records also shows that Kincaid is not timely responding to customer complaints. The Commission's Consumer Activity Tracking System (CATS) shows several customer complaints in which Kincaid has failed to respond to either the customer or the Commission. Staff has compiled a list of customer complaints currently open with the Commission, along with a copy of each of the CATS complaint records for your review. (*Exhibit D – Open CATS Customer Complaints.*) The complaints show that customers reported regularly experiencing difficulty in reaching a Utility representative and reported Kincaid's telephone number being out-of-service on occasions. Commission staff has not been able to reach Kincaid regarding the customer complaints.⁴¹ Furthermore, Kincaid has failed to respond to Commission staff's repeated attempts to contact Kincaid by telephone, mail, and e-mail in order to resolve the complaints.⁴²

Corrective Action Required

Kincaid must respond immediately to each of the customers listed in Exhibit D to resolve the complaints. In addition, Kincaid must provide Commission staff with a written response to

⁴¹ See, *Exhibit D.*

⁴² *Id.*

each of the customer complaints listed in Exhibit D, and include whether or not the complaint has been resolved and how the complaint was resolved. If Kincaid has not responded to all of the customers in Exhibit D and provided a written response to Commission staff on each complaint by August 31, 2017, Commission staff will open an enforcement docket to initiate a show cause proceeding against Kincaid. Should Kincaid ultimately be found in violation of Commission statutes, rules, or orders, the Commission may impose fines of up to \$5,000 for each day the violation continues, including levying a statutory lien upon the real and personal property of the Utility, or amend, suspend, or revoke Kincaid's certificate, pursuant to Section 367.161, F.S.

Conclusion

To summarize, as of August 31, 2017, the total amount owed by Kincaid for past due RAFs, plus penalties and interest owed for the years 2008, 2009, 2012, 2013, and 2016, is \$22,139.39, and the total amount owed for penalties for late-filed annual reports or the years 2008 to 2013 is \$14,457.00, for a combined total amount due of \$36,596.39. **Payment in the amount of \$36,596.39, and written responses to the customer complaints attached must be received by the Commission by August 31, 2017.** If full payment and written responses to the complaints are not received by August 31, 2017, Commission staff will open an enforcement docket to initiate a show cause proceeding against Kincaid. Should Kincaid ultimately be found in violation of Commission statutes, rules, or orders, the Commission may impose fines of up to \$5,000 per violation, for each day each violation continues, including levying a statutory lien upon the real and personal property of the Utility, or the Commission may amend, suspend, or revoke Kincaid's certificate, pursuant to Section 367.161, F.S. If necessary, the Commission may also seek injunctive or other appropriate relief in circuit court to compel Kincaid's compliance pursuant to Section 367.121, F.S.

Finally, please note that any enforcement proceeding opened by the Commission against Kincaid will only place further demands upon the management of the Utility. Therefore, your prompt attention to this matter is required.

Should you have questions or comments regarding the matters discussed herein, you may contact me at (850) 413-6234 or KCorbari@psc.state.fl.us.

Kelley F. Corbari,

Dear Certificate Holder:

The Division of Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 367.145, Florida Statutes, and Rule 25-30.120, Florida Administrative Code (F.A.C), for the year 2016, which was due **March 31, 2017**. The RAF return form was mailed to you on **February 14, 2017**, and to date, Commission records reflect that payment has not been received.

According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 367.161, Florida Statutes, the commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$5,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 367.

Utilities are charged with knowledge of our rules and statutes. All utilities that apply for a Water certificate would have received a copy of all applicable rules, in accordance with Section 367, Florida Statutes, as part of the application process. Utilities also provided an affidavit indicating that they have read and understood the applicable rules.

If you wish to request another form, please contact Toni McCoy at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within **15 days of this notice** will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 367.145, Florida Statutes, and rule 25-30.120, F.A.C. The Commission may impose a fine, cancel your certificate, or place a lien on your property. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact Toni McCoy at (850) 413-6532 or via Internet e-mail at tmccoy@psc.state.fl.us.

RE: Docket No. 070580-WU, Delinquent Regulatory Assessment Fees, plus associated penalties and interest for the years 2004, 2005, 2006, and delinquent 2004, 2005, and 2006 annual reports.

Dear Mr. Knowles:

I am writing to inform you that the Commission has not received any payments whatsoever for the Regulatory Assessment Fees (RAFs) for the years 2004 and 2005, and has only received payment of the basic RAFs for 2006 on August 28, 2007. Because the 2006 RAFs were paid approximately five months late, a statutory penalty and interest is due for 2006, and the basic RAFs and associated penalties and interest are due for the years 2004 and 2005.

For the RAFs, plus associated penalties and interest, due in accordance with Sections 350.113 and 367.145, F.S., and Rule 25-30.120, Florida Administrative Code (F.A.C.), for the years 2004, 2005, and 2006, with interest being calculated through November 30, 2007, staff calculates the total amount due to be \$7,049.62. The amount due is calculated as follows:

<u>Year</u>	<u>Revenues</u>	<u>RAFs(4.5%)</u>	<u>Penalty(25%)</u>	<u>Interest (Thru 11/30/07)</u>	<u>Total</u>
2004	\$46,137	\$2,076.17	\$519.04	\$664.37	\$3,259.59
2005	\$47,752	\$2,148.84	\$537.21	\$429.77	\$3,115.82
2006	\$49,942	\$ 0	\$561.85	\$112.37	\$674.21
Total	\$143,831	\$4,225.01	\$1,618.10	\$1,206.51	\$7,049.62

For the utility's failure to pay these amounts, the staff is scheduled to file its recommendation to the Commission on November 7, 2007, for consideration by the Commission. The recommendation will address, among other things, whether show cause proceedings for fines, revocation proceedings, and whether liens should be imposed for the utility's failure to pay the amounts due. The recommendation will also address the utility's failure to comply with the Payment Plan set forth in Order No. PSC-04-0615-FOF-WU, issued June 21, 2004.

Also, the utility filed the annual reports for 2004-2006 a total of 422 days late. Pursuant to Rule 25-30.110(7), F.A.C., the standard penalty is \$3 per day, and, if imposed, would be \$1,266. Therefore, staff calculates the total amount to be due for the years 2004-2006 to be \$8,315.62

October 10, 2007

Pursuant to Section 367.161(2), Florida Statutes,

The Commission has the power to impose upon any entity that is subject to its jurisdiction under this chapter and that is found to have refused to comply with, or to have willfully violated, any lawful rule or order of the commission or any provision of this chapter by a penalty for each offense of not more than \$5,000, which penalty shall be fixed, imposed, and collected by the commission; or the commission may, for any such violation, amend, suspend, or revoke any certificate of authorization issued by it. Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the entity, enforceable by the commission as a statutory lien under chapter 85. (emphasis added)

If payment in the amount of \$7,049.62 for the RAFs for the years 2004-2006, and \$1,266 for the delinquent annual reports for those years is not received by November 1, 2007, Commission staff will file its recommendation on November 7, 2007. If Kincaid is ultimately found to be in violation of Commission rules, in addition to being authorized to impose fines of up to \$5,000 for each day the violation continues, the Commission may impose a statutory lien upon the real and personal property of the utility, or revoke the utility's certificate.

In any event, it appears that you must quickly take some action to forestall the Commission opening enforcement proceedings against this utility, which will only further complicate the management of this utility. Your prompt attention in this matter is required. As stated above, if the Commission has not received the payments noted above by November 1, 2007, the Commission may be forced to open further enforcement proceedings, to include show cause proceedings or possibly revocation proceedings.

Finally, if you have questions regarding the matters discussed herein, you may contact me at (850) 413-6234.

Sincerely,

Re: Filing of 2006 Price Index, 2007 Price Index, and Pass-Through Increase for Regulatory Assessment Fees

Dear Mr. Knowles:

As discussed on February 14, Kincaid Hills Water Company may apply for the 2006 Price Index if it does so by March 31, 2007. This allows a 2.74% increase for certain Operation and Maintenance Expenses incurred in 2005. I have enclosed Order No. PSC-06-0075-PAA-WS which has the forms and directions for applying for the 2006 Price Index.

If the utility has never applied to increase its rates for the Commission Regulatory Assessment Fees that became applicable to the utility when Alachua County transferred jurisdiction to the Commission, then the utility may apply for a pass-through increase of 4.5% for the Regulatory Assessment Fees (RAFs). My review of the history of this utility shows that other than the grandfather application, two show cause proceedings, and two staff-assisted rate cases (both of which were withdrawn by the utility), there has not been an application to pass through the RAFs which became applicable when Alachua County gave jurisdiction to the Commission in 1992. The directions for applying for the pass-through increase are also contained in the Order noted above.

Finally, the utility will become eligible, as of April 1, 2007, to apply for the 2007 Price Index increase. This allows a 3.09% increase for certain Operation and Maintenance Expenses incurred in 2006. I have attached a package with the forms and directions for applying for this increase.

As noted above, you must apply for the 2006 Price Index increase by no later than March 31, 2007. Also, pursuant to Subsection 367.081(4)(e), Florida Statutes, "a utility may not adjust its rates under this subsection more than two times in any 12-month period." That subsection provides that a combined application or simultaneously filed applications shall be considered one

Mr. Berdell Knowles, Jr.
Page 2 of 2

rate adjustment. Therefore, if you are to take advantage of all three increases in the next 12 months, you must combine the pass-through with either one of the price indexes. Moreover, if you want to just send out one notice of a rate increase, you may waive implementation of the 2006 Price Index increase, and combine it with the 2007 Price Index increase (and the 4.5% RAF pass-through).

Hopefully, the above increases will enable the utility to pay all applicable RAFs. Also, as discussed, the utility must make up the RAF payments required in the settlement and pay the 2004 and 2005 RAFs as soon as possible, or staff will be forced to recommend to the Commission to initiate a show cause proceeding for implementation of fines. However, this does not keep you from proceeding with applying for the price indexes and the pass-through increase. Also, for the utility to take advantage of our limited proceedings and staff-assisted rate cases it must be in compliance with the orders, rules and statutes of this Commission, to include payment of RAFs.

If you have any legal questions, you may call me at 850-413-6234. However, if you have any technical questions about implementing either the price indexes or the pass-through increase, please call Bart Fletcher at 850-413-7017.

Sincerely,

Ralph R. Jaeger

Re: Delinquent Payments - Regulatory Assessment Fee Payment Plan and Delinquent 2004 and 2005 Regulatory Assessment Fees and Delinquent 2005 Annual Report

Dear Mr. Knowles:

I am writing to inform you that the Commission has still not received Kincaid Hills' monthly payment in the amount of \$500.00 each for January, February, March, April, and May, 2006 (and now June and July). I talked to you at the end of July, and you indicated that you would be taking out a loan so that you would be able to make the required payments. By letter dated June 9, 2006, Ms. Helton, my supervisor, advised you that these payments were due pursuant to the payment plan for delinquent regulatory assessment fees established by Commission Order No. PSC-04-0615-FOF-WU, issued June 21, 2004.

Because Kincaid Hills is in violation of a Commission Order, staff is considering opening a docket to initiate show cause proceedings against Kincaid for its failure to abide by the regulatory assessment fees payment plan for the months of January through July, 2006. Order No. PSC-04-0615-FOF-WU stated that if the utility fails to make the required monthly installments by the due date of any month, further enforcement of the payment plan will be initiated, such as placement of a lien on the utility's property. Accordingly, a lien may be placed on Kincaid's property pursuant to Section 367.161, Florida Statutes.

Further, pursuant to Section 367.161(2), Florida Statutes,

The Commission has the power to impose upon any entity that is subject to its jurisdiction under this chapter and that is found to have refused to comply with, or to have willfully violated, any lawful rule or order of the commission or any provision of this chapter a penalty for each offense of not more than \$5,000,

which penalty shall be fixed, imposed, and collected by the commission; or the commission may, for any such violation, amend, suspend, or revoke any certificate of authorization issued by it. Each day that such refusal or violation continues constitutes a separate offense. Each penalty shall be a lien upon the real and personal property of the entity, enforceable by the commission as a statutory lien under chapter 85.

Accordingly, if show cause proceedings are initiated, and if Kincaid is found to be in violation of Commission rules and statutes, the Commission has the authority to impose penalties, and to take further action, as stated in the above-referenced statute.

Your payment of \$4,000 (\$500 that was due January 20, 2006, \$500 that was due February 20, 2006, \$500 that was due March 20, 2006, \$500 that was due April 20, 2006, \$500 that was due May 20, 2006, \$500 that was due June 20, 2006, \$500 that was due July 20, 2006, and \$500 that will be due August 20, 2006) should be mailed with a copy of this letter to the Fiscal Services Section, Attn: Valerie Moore, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850.

If payment in the above amount is not received by September 1, 2006, Commission staff will open a docket to initiate show cause proceedings. If Kincaid is ultimately found to be in violation of Commission rules, in addition to being authorized to impose fines of up to \$5,000 for each day the violation continues, the Commission may impose a statutory lien upon the real and personal property of the utility.

Also, it has been brought to my attention that the utility has not paid its RAFs for 2004, and has not filed its annual report or paid RAFs for 2005, and those are all past due. Staff calculates for the year 2004 that the utility owes \$2,076.17 for the basic RAF, plus a penalty amount of \$519.04, and an interest amount of \$394.47, for a total amount due for the 2004 RAFs of \$2,989.68. The 2005 Annual Report was due on March 31, 2006, unless you applied for an extension (do not see any request for an extension). For each day after the date that the annual report is late, pursuant to Rule 25-30.110(7)(b), Florida Administrative Code, a \$3 penalty is imposed. As of September 1, 2006, the cumulative penalty for failure to file the 2005 annual report would equal \$459 (30 days in April + 31 days in May + 30 days in June + 31 days in July + 31 days in August = 153 days times \$3 per day = \$459). It is imperative that you file the 2005 Annual Report as soon as possible as the \$3 penalty per day is just continuing to mount. Also, penalties and interest are imposed for late RAFs pursuant to Rule 25-30.120(7)(a), Florida Administrative Code.

It appears that you are really struggling with making these required payments, and I note that other than the show cause docket, Docket No. 040248-WU, opened in 2004, the utility has had no dockets open with this Commission since 1997. You may want to call Troy Rendell at 850-413-6934 to discuss the availability of various simple means for increasing revenues. Also, you may want to talk to Pattie Daniel at 850-413-6808 to discuss whether this utility should either be sold to the county

Mr. Berdell Knowles, Jr., President

Page 3

August 10, 2006

or turned over to the county for operation by the county. Either of these individuals could assist you in the relief available to you.

In any event, it appears that you must quickly take some action to forestall the Commission opening enforcement proceedings against this utility, which will only further complicate the management of this utility. Your prompt attention in this matter is required. As stated above, if the Commission has not received a minimum of \$4,000 by September 1, 2006, staff will be forced to open enforcement and show cause proceedings.

Finally, if you have questions regarding the matters discussed herein, you may contact me at (850) 413-6234.

Thanks for the update Berdell.

I am happy to resume conversations in a couple of weeks so long as we receive Kincaid's 2015 RAFs and Annual Reports timely. Both must be postmarked today for them to be considered timely filed. I appreciate you continuing to work on this.

Updates:

1. Waiting to get some advice from a consultant, but likely not going to pursue any transfer/name change at this point.
2. The Reinstatement application was just approved, so I am preparing to submit payment.
3. Can we resume this conversation in a couple weeks? I have some unrelated mid-month deadlines I need to address, and would prefer to focus on those for now if that's ok with you.
4. Left voicemails today, and sent follow-up email to begin the process.
5. Hoping it was completed, but waiting on confirmation from my dad. Will make sure it's done and confirm it's in the mail when I can.

Hi Berdell,

Thank you for getting back to me. I will try to do my best answer your questions

1. Transfer & Name Change

If you are going to assume control of the Utility then you and your father need to file for a transfer of majority control. If you plan to change the name of the Utility, you can request the name change in the transfer filing. If you only want to change the name of the Utility, you can do that as well. Please note that you are going to have to provide some kind of corporate documentation for either the transfer or name change filings.

With regard to the liability of the current ownership if a transfer and/or name change were granted, the current owner remains liable for any outstanding amounts owed to the Commission. Also, you should be aware that, since the Utility let its corporate status lapse, all officers of the currently inactive corporation could be individually and personally liable for any outstanding debts and/or responsibilities of the Utility.

2. Corporate Status

If you do not plan to change the name of the Utility, the status of the current corporation should be updated and reactivated with the Florida Secretary of State as soon as possible.

3. Delinquent RAFs & Annual Report Penalties

I am the point of contact for resolving the outstanding RAF and annual report penalty amounts owed by the Utility. My contact information is:

Phone: (850) 413-6234

Email: KCorbari@psc.state.fl.us

4. Staff-Assisted Rate Case (SARC)

For questions about filing a SARC, you can contact me, Todd Brown or Bart Fletcher, both of whom are in the Commission's Accounting and Finance Division. Their contact information is:

- Todd Brown (850) 413-6550 TBrown@psc.state.fl.us
- Bart Fletcher (850) 413-7017 BFletche@psc.state.fl.us

5. 2015 RAF and Annual Report

For questions about the Utility's 2015 RAFs and Annual Reports that are due March 31, 2016, contact the following individuals:

- RAF Filing: Toni Earnhart (850) 413-6532 TEarnhar@psc.state.fl.us
- Annual Reports: Bart Fletcher (850) 413-7017 BFletche@psc.state.fl.us

If you need to file an extension to submit the Utility's 2015 Annual Report, you need to submit a request in writing by March 31st to the following:

Andrew Maury, Director
Division of Accounting and Finance
FLORIDA PUBLIC SERVICE COMMISSION
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Please note that because the Utility owes RAFs for past periods, the Utility is not eligible for an extension to submit its 2015 RAFs. If the Utility does not submitted its RAFs by the due date, penalties and interest will be assessed. If the Utility requests an extension to file its annual reports, however, it may submit an estimated RAF return for 2015 by the March 31st due date. The estimated RAF amount can be based on the Utility's prior year's revenues or its 2015 estimated revenues. Once the Utility files its annual reports, it must submit an amended RAF return.

I am available to talk to you about any of these issues at your convenience. I am in the office all week, but there are a lot of people out this week with their families because it is spring break for the schools here. So if you don't hear back right away from someone, that is probably why.

Thanks,
Kelley

Kelley,

Thank you for reaching out to follow up.

1. I will follow-up on the feasibility of the name-change and transfer early next week. The main factor here will be the ability to ensure a clean slate and no lingering or residual liabilities from the current ownership.
2. I was under the impression that the corporate status was taken care of, but I will get an update on this asap and follow-up with you early next week on this, as well. I know this is critical.
3. I will contact staff to work out a resolution of the '12 and '13 penalties. Can you advise as to who is the best point of contact?
4. I also want to get started with the rate case. Can you advise as to who is the best contact to begin with?
5. I will be the best point of contact for the utility. Please let me know when you would like to discuss these issues. I can be reached via telephone at (310) 821-1235 8am PST (11am EST) – 8pm PST (11pm EST), seven days a week.

Thanks, again.

Berdell –

I am checking in with you with regard to Kincaid Hills Water Company.

First, please note that the Utility's **2015 Regulatory Assessment Fees (RAF) and Annual Report are due by March 31, 2016**. I have attached a blank copy of a RAF Return Form and Annual Report Form for your convenience. Also, you can find a copy of the Annual Report form on the Commission's website at <http://www.floridapsc.com/WaterWasteWater/AnnualReportForms>

Second, the last time we spoke in April of last year, you were looking into the possibility of having your father transfer the Utility to you and possibly changing the name of the Utility. Also, you and your father were going to discuss the possibility of the Utility filing for a staff-assisted rate case or an annual pass-through. However, there is no record of the Utility taking any action at the Commission to request a transfer, name change, staff-assisted rate case, or pass-through

index. Nor does it appear the Utility has taken any action to update its inactive, corporate status with the Florida Secretary of State.

In addition, it was Staff's understanding that, once the Utility paid its delinquent 2010 and 2011 RAFs and filed its delinquent annual reports, the Utility was going to continue to negotiate with Staff regarding payment of the RAF amounts Kincaid still owes for 2012 and 2013 and the annual report penalties. However, staff has not had any contact with the Utility since April of last year.

Have you assumed handling the operations of the Utility or is your father still running the Utility? The issues concerning the Utility's delinquent RAFs, annual report penalties, and corporate status need to be resolved as soon as possible or an enforcement proceeding may be initiated against the Utility. Please let me know the appropriate Utility representative to contact and discuss these issues.

Berdell,

Per our conversation yesterday, I am getting back to you with information regarding a utility name change and transfer of majority control. As I stated, both a name change and transfer require filing an application with the Commission for approval.

Name Change:

An application for name change can be done so long as there is no change in the ownership or control of the utility or its assets and the utility must notify the Commission prior to changing its name. There is no filing fee associated for filing an application for name change. I have attached an example of a name change application that was filed in the past by another utility.

Transfer of Majority Control

A Transfer of Majority Control application is an more involved process. There is a \$750 filing fee for filing a transfer application. I have attached the transfer application informational packet, which can be found on the Commission website at: <http://www.floridapsc.com/utilities/waterwastewater/applicationpkg/index.aspx>

I hope this information is helpful. Let me know if you have any questions.

Hello, Ms Corbari.

My father had emergency surgery a few weeks ago, and is on schedule to recover and resolve the matters listed below by the end of the month as we discussed. I will follow up with a phone call as you requested later this week.

I do not understand the purpose of the comment that "it does not appear that Kincaid has made an effort to complete any of the task Staff required" without at first attempting to contact me/us to ascertain where we are on those items. It seems unfair, as I do nothing but continue to make every effort to be responsive and productive in helping resolve the issues we all know have been issues in the past with Kincaid. Going forward, I hope that we can continue to work together on resolving these issues without any undo bias because we all also know this system has been resource constrained and needs as much support as possible to get it where it needs to be to serve its community most effectively.

Thanks again for your continued support.

Dear Berdell:

I wanted to check in with you and obtain an update on Kincaid's compliance efforts. During our conversation on February 16, 2015, Staff outlined the next steps Kincaid must take in its efforts to resolve its compliance issues with the Commission. Per our discussion, Kincaid Hills was required to (1) timely file its 2014 Annual Reports, (2) timely file and submit payment of its 2014 RAFs, (3) update its Corporate status with the Florida Secretary of State, and (4) submit an application for a Staff-Assisted Rate Case.

At this time, it does not appear that Kincaid has made an effort to complete any of the tasks Staff required. A recent search of the Florida Secretary of State Corporation Database still shows Kincaid's corporate status as "inactive" (see attached). While Kincaid's 2014 Annual Report and RAFs are not due until March 31, 2015, Kincaid has not submitted its 2014 Annual Reports, RAFs, or application for a Staff-Assisted Rate Case.

Please contact me as soon as possible and provide me with an update on the status of these matters. Should Kincaid fail to submit its 2014 Annual Reports and RAFs or update

its corporate status by **March 31, 2015**, Staff will begin initiating enforcement proceedings against the Utility.

Kelley Corbari

Berdell,

Staff has finished reviewing Kincaid's 2009-2013 Annual Reports that were submitted in late December. Now that Kincaid's delinquent annual reports have been received, we can discuss the possibility of Kincaid filing a Staff-Assisted Rate Case and the other outstanding compliance matters.

Are you available for a conference call the afternoon of **Monday, February 16th** to discuss these matters? In addition, it would be very helpful to have your father participate in call if at all possible as his involvement will be necessary to processing any rate case and resolving the outstanding compliance issues.

Let me know your availability and I will set up the call.

Hi Berdell,

I apologize for just getting back to you. I was out last Friday.

At this point, there are no other items outstanding other than the annual report deficiencies that need correcting. If we receive the corrected reports by December 29th, there will be no further penalties assessed for the annual reports being delinquent. Once we have received the revised reports and the reports are deemed sufficient, I will contact you regarding the next steps for bringing the utility into compliance and filing a Staff Assisted Rate Case.

I am sorry to hear you have been under the weather. I hope you are feeling better. I am in the office today if you have any other questions.

Staff has completed its review of the annual reports Kincaid submitted for the years 2009-2013. Unfortunately, there were a few deficiencies in the reports that must be corrected for the reports to be deemed sufficient. Therefore, please see the attached letter which was mailed to the Utility today outlining the deficiencies contained in the reports.

Please note that the deficiencies must be corrected **and** the revised reports **received** by the Commission by **December 29, 2014**, or penalties will continue to accrue. Once we have received the revised reports and the reports are deemed sufficient, I will contact you regarding the next compliance steps.

This is to confirm that the Commission received Kincaid's payment in the amount of \$8,690.15 for the amounts owed by Kincaid for its past due 2010 and 2011 Regulatory Assessment Fees, including Penalty and Interest. In addition, we received Kincaid's delinquent Annual Reports for the years 2009-2013. I received all of your emails with Excel files of Kincaid's annual reports for 2009-2013 and I forwarded them onto our staff to be reviewing. I really appreciate your effort getting the reports to me. Unfortunately, however, the Excel files you emailed are insufficient because they do not comply with our rules governing annual reports. In addition, **each report must be certified**, meaning the Certification page of each report must be signed by the Utility's CEO and CFO.

Therefore, please have the Utility's CEO (your father) sign and certify each of the Annual Reports. Once the reports have been certified, please mail the original and 2 copies of each report to the Commission as soon as possible or by **Friday, November 14, 2014**, to avoid further penalty. The reports should be mailed to:

Subject: Kincaid Hills - Initial Compliance Plan

Mr. Knowles,

Thank you for speaking with us today regarding Kincaid Hills Water Company's (Kincaid Hills) compliance issues and expressing your willingness to work with Commission staff on a comprehensive compliance plan for bringing the utility back into compliance with the Commission. To summarize our conversation:

- By November 7, 2014, Kincaid Hills will file its delinquent annual reports for the years 2009 – 2013, and submit payment in the amount of **\$8,690.15** to satisfy its delinquent 2010 and 2011 Regulatory Assessment Fees (RAFTs).
 - Payment should be made payable to the "Florida Public Service Commission," and sent to "Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, ATTENTION: Fiscal Services."
 - Please include "WU690 RAF Payment" on the memo line of the payment.
- Kincaid will work with Commission staff on filing a Staff Assisted Rate Case. Commission staff will contact the Utility to assist with initiating the filing.
- Upon receipt of Kincaid Hills' annual reports and RAF payment, Commission staff and Kincaid will negotiate a plan for the payment of Kincaid Hills delinquent 2012 and 2013 RAFTs.
- Penalties assessed for Kincaid Hills' failure to file its annual reports for the years 2009-2013, will be discussed at a later date.

Again, I appreciate your willingness to try to resolve the Utility's compliance issues. Should you have any questions or comments, please do not hesitate to contact me.

Sincerely,

PO Box 579 was at the post office that closed a few years ago. You can delete that one, also.

Thank you Berdell.

In addition to the 19th Avenue address, we had a different PO Box address on file (PO Box 579 Gainesville, FL 32602).

I will make sure the correct address is updated.

New address for Kincaid Hills Water Company

PO Box 15016
Gainesville, FL 32604

To my knowledge, there has never been a mailbox at the plant on 19th Avenue, so we would like to make sure no mail is directed there (only the address, above).

Thank you all, again.

Rhonda,
I can't tell if we ever responded to this but we do not have any alternative contact info. As Patti noted, please let me know if there is some level concern that the system is not being properly monitored then DEP or FRWA should be contacted.

Mr. Knowles has been around a long time and is usually pretty cooperative but he tends to move on his own time.
