Re: 20170149-EI - Petition to approve modifications to neighborhood weatherization and energy education, awareness and agency outreach programs, by Tampa Electric Company.

Dear Mr. Beasley:

Commission staff has reviewed the petition filed June 29, 2017, for Docket 20170149-EI Tampa Electric Company's Petition to approve modification to Neighborhood Weatherization and Energy Education, Awareness and Agency Outreach DSM Programs. Please provide the information requested to the Office of Commission Clerk, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850 by August 16, 2017. Please contact Moniaishi Mtenga by email at mmtenga@psc.state.fl.us or by phone at (850) 413-6587 if you have any questions.

1. Please refer to Exhibit B, Page 2, under program savings and explain the assumptions the Company made for the calculations of the energy savings and seasonal peak demand.
2. Please provide the technical assumptions used for CFL's and LEDs, including peak demand, energy savings, and lifespan versus the building code and appliance standards.
3. What are the results of the TRC, RIM, and Participant tests for the Neighborhood Weatherization and Energy Education programs before and after the modification?

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Mtenga".

Moniaishi Mtenga
