Subject: Utilities, Inc. Florida rate increase

Dear Staff,

I am writing in reference to the Utilities Inc. Florida Docket No. 20160101 rate increase request. I am here to tell the Public Service Commission to NOT accept the proposed rate increase for Seminole County's water utility. The rate increase of 58% is outrageous and I understand there is a state statute that requires rate increases to be reasonable and not unfairly discriminatory; clearly this is unreasonable!

Do not allow this unfair rate increase. This will be a huge burden on all Seminole county residents.

Sincerely,
Lisa Vinzant
